

The Plainville PumpkinFest

A Community Event to Benefit: The Plainville Community Fund

Hello Friend!

It's time for our **11TH Annual Plainville PumpkinFest being held on October 17TH** this year. The theme of our event is all about celebrating Downtown Plainville by lighting up Carved Pumpkins come nightfall, and bringing families & friends together. Admission is always **FREE** for everyone, just come on downtown and join the festivities!!

So here's why we need your support.....we never want to charge our guests to come experience downtown Plainville. We believe that this should always be a **FREE** event for our families & friends to enjoy a fun-filled, festive, autumn PumpkinFest in their community. Although we are very fortunate to have the support of our Town, local businesses and a bunch of wonderful volunteers to help put this event on, there are always those expenses that need to be paid to make the event safe & comfortable for everyone. AND not to mention, we also want to make some money to donate to our amazing "**Plainville Community Fund**" who does so much for charitable projects and programs in our community, helping to enhance the lives of our residents. So, that's where YOU come in.....any level of donation is truly welcome and of course, we'll do all we can to advertise the heck out of your business before, during and after the event on all of our social media platforms!!!!

"THE GREAT PUMPKIN" Event Sponsor..... \$1,000 _____

Premier placement on Pumpkin Tower, logo/website/phone on a lawn sign, logo/link on our website/social media
